

Visiting Yosemite

By

We visited Yosemite.

We drove through a tunnel.

We passed a boulder.

We were really high!

Then we were low in the valley.

We hiked through a meadow.

We hiked to waterfalls.

We saw a monolith.

We saw another one!

We looked down on the valley.

We saw another amazing view!

We saw a squirrel!

We ate a popsicle.

We saw sequoias!

They were so big!

We swam in a lake and river.

We climbed rocks.

We saw 3 deer.

We saw 4 ducks.

We walked and I rode my bike.

We loved visiting Yosemite!
